

Pray every day for native missionaries doing the work of God's kingdom around the world. Repeat for each week of the month.

NEPAL, South Asia*

SUNDAY—Depending on where you live, winter can be mild or **harsh**. Winter is hard for people living in the Himalayan Mountains near the Tibetan border. While strong **Buddhist** beliefs of the villagers are an **obstacle** to the gospel, Christians are showing the love of Christ in the villages by providing real needs for poor families. A pair of goats (\$40) will provide milk and wool, plus produce **kid goats** to sell—creating a better **livelihood** for a poor family. Gift Code: 702NPH-2K

ISLAMIC Africa*

MONDAY—The beautiful smiles on these lovely girl's faces tell a wonderful story. Thanks to loving gifts from Christian Aid donors, they now have a Christian school to attend in their **secular Islamic country**. They, along with 300 other precious children, are now being educated and **disciplined** in Christian living by native missionaries who love the Lord. Pray for remaining needs of more school **furnishings** and **equipment**.

Gift Code: 500RCD-2K (country not identified for security reasons)

INDIA, South Asia*

WEDNESDAY—Bangalore, the **modern** capital city of the state of **Karnataka**, is a leader in the **rapid** increase of **technology** in India. Yet many villages there are so **"backward"** that they have few schools, hospitals, or even electricity. Indian Christian workers want to

provide free medical camps to treat poor villagers and give them the good news of new life in knowing Christ. Pray for the needed funds for medicine for each camp. Gift Code: 630SEF-2K

UKRAINE, Europe*

FRIDAY—"Lights, Camera and Gospel Action!" That is what you get if you put Slavik Radchuk, Ukrainian **evangelist**, in front of a TV camera. Recently Slavik spent two months traveling in Russia, Ukraine, Uzbekistan and Siberia. He was able to preach in 18 **mass meetings** and make 52 TV and 13 radio Christian programs to **broadcast** the gospel to millions of people. These **broadcasts** do not come free. Pray for gifts needed to buy **broadcast time**. Gift Code: 099SLR-2K

COLOMBIA, South America*

TUESDAY—Colombia has beautiful Andes Mountain ranges and **gorgeous** Pacific beaches, but few American **tourists** **venture** there due to a **travel advisory**. Troops of **guerrilla fighters** bully people to gain control over the government. Colombian Christians who spread the gospel in **remote** jungle villages **encounter** danger from the **guerrillas**. Pray for God's protection and for help to buy 500 Bibles (\$8 each) to **distribute** among new believers. Gift Code: 201VOC-2K

IRAQ, Middle East*

THURSDAY—Money can buy things like a toy, DVD, or book—but money cannot buy everything. One thing the people in Iraq know is that money cannot buy peace. Governments have spent **billions** of dollars fighting to bring peace to Iraq, but only Jesus can bring true peace by changing people's hearts. Pray about giving some of your money to buy gospel DVDs (\$1 each) and New Testaments (\$2 each) so that many **Iraqi** people can find peace in Christ. Gift Code: 444SHM-2K

UZBEKISTAN, Central Asia*

SATURDAY—What do Afghanistan, Kazakhstan, Kyrgyzstan, Pakistan, Tajikistan, Turkmenistan, and Uzbekistan have in common? "Stan" means "land." Uzbekistan means "land of Uzbeks." Uzbekistan is a **hub**—meaning it is in the center—sharing a border with all other "stan" countries except Pakistan. Despite **persecution**, Uzbekistan has a **vibrant** Christian community **capable** of offering Christian training to believers in these "stan" nations. Students traveling there need **financial assistance** for travel, **lodging** and books. Gift Code: 467UCF-2K
